Monthly Industry Meeting

Dave and Busters
500 W Germantown Pike Ste 2195, Plymouth Meeting, PA 19462

Wednesday, April 8, 2020 @ 6:00 pm

Residential Smart Home Technology

Want to know more about advancements in residential load center technology & safety? Join Rob Spragis and Patrick Donnelly from Leviton as they present Leviton’s Load Center safety and diagnostics features, including:

- UL943 end of life reset lockout and self-test
- Line-side power versus load-side power
- Hydraulic versus thermal magnetic
- More precise tripping when it matters
- Energy Usage
- Alerts
- Updates
- Control, and more!

Inspectors Update – 2014 NEC - AFCI & GFCI

The 2014 NEC is now the law of the land in Pennsylvania. With its adoption came a host of new AFCI and GFCI requirements. Join us for a brief explanation of these new rules so that you can pass your inspections the first time!

Qualifies for 2 CEUS/2 PDHS for PA Electrical Inspectors and Philadelphia Contractors

Registration

Registrations in advance are strongly encouraged and appreciated.
